Maurice audiobook by E M Forster audible
May 3rd, 2020 - A beautiful book performed stunningly by Peter Firth. This novel was written early in the 20th century but not published until after the author’s death. Forster is a master storyteller and Maurice contains all the seeds of the author’s genius; it is a book about gay men, yes, but it is also a book about society, psychology, and love. "Maurice by E M Forster Meet your next favorite book
May 4th, 2020 - If Dorian Gray is the dramatic scandal creating a gay classic than Maurice is the snobbish yet emotionally moving gay classic. Written in 1913–14 but only published sixty years later, this is a book that is impressive not because of its romance but because of the character’s personal journey towards self-acceptance.
